

## The Father who Comforts and Supports

### Group Questions:

1. Do your children have any needs that may be related to comfort and support? Describe?
2. Identify the ways you can begin in correcting that as a Father?
3. What are the most pressing issue/steps you will take to as a Father?
4. Has your view of comfort and support as a Father been changed?

### Take Away:

This coming week focus on an area of comfort and support as it correlates to Pslam 23 with your children.
